The Doncaster Rovers Supporters Club( later referred to as DRSC) believe that everyone including a child or young person under the age of 18 who travels with the DRSC to home or away fixtures or other events organised by DRSC should be able to be part of an enjoyable and safe environment and be protected from abuse or harm.

To this end and In line with the duty of care placed upon us we must ensure that

The Parent / legal guardian of the child, must arrange direct with the named responsible adult, and complete the written travel consent from parents/guardians. (Forms available from DRSC or official web site at [www.doncasterroverssupporters club.co.uk](http://www.doncasterroverssupporters club.co.uk))

It is Important to have all emergency contact numbers for those persons who hold parental responsibility for the child, and at least two emergency contact numbers in case of emergency or the need to contact them arises These are to be detailed on the Supporters club membership form available from DRSC or official web site at [www.doncasterroverssupporters club.co.uk](http://www.doncasterroverssupporters club.co.uk))

8. It is the responsibility of all supporters, when requested to provide an official form of identification including age when requested by the DRSC representative running the coach. Failure to provide this may result in the person being refused travel.
9. In order to check details are genuine a, coach currier or representative of the supporters club can at their discretion contact the parents/guardians to confirm that details are correct as a matter of courtesy to remove any doubt.
10. All travelling supporters should conduct themselves in a manner that does not cause harm or distress to any other person including opposing fans and their respective club officials, representatives and players.
